STRUCTURING TRANSACTIONS

Our team utilizes each other's diverse skills and experience to structure transactions. As dealmakers, our brokers are a unique combination of "shoe-leather" sales people and intellectual business entrepreneurs. This recipe allows our clients to benefit from the wide range of services our firm can provide.

Our strong client relationships give us a competitive edge, allowing us to collaborate with businesses across local and national markets.

At Global, we are committed to delivering top-tier real estate solutions through strategic marketing and a focused approach to successful transactions.

GLOBAL APPROACH

Maintaining direct contact to local developers & general contractors and between broker & owner, when required

Sending direct mailings to our personal client lists, targeted industry specific users, and all local real estate brokers to ensure they are aware of property and all updated information

Marketing through CoStar, LoopNet, Catylist, Crexi, OfficeSpace, RealtyZapp, 42Floors, and Global's website

Providing appropriate signs announcing the availability of the property

Designing and printing promotional brochures with information & photos
